### Donation Opportunity for Those with IRA Required Minimum Distributions (RMD)

Congress has approved a permanent charitable giving tax break, known as the "IRA charitable rollover". The rollover is available for those who are 70 1/2. You can make a Qualified Charitable Distribution from your IRA of up to \$100,000 to charity, such as First Baptist Church. The donation will count toward your IRA required minimum distribution.

The distribution is not recognized as income on your tax return. As such, you do not take a donation deduction either. With the change in the recent Tax Legislation, the Standard Deduction has doubled thus itemized charitable deductions will no longer be needed to be kept track of. By donating all or part of you IRA RMD to the Church, you receive the benefit of a reduced Adjusted Gross Income (AGI) in that the RMD to charity is not taxed, which helps the opportunity of obtaining lower cost for your Medicare Part B and Prescription Drug premiums.

The distribution must come directly from the IRA account to the Church not through you the owner of the account. Let our Financial Services Coordinator, Monica Garcia, know how you want the contribution designated, such as the General Fund.
